

# FELINE GOOD CAT RESCUE

## HELP US OPEN THE DOORS TO THE FUTURE OF CAT RESCUE

Feline Good Cat Rescue is raising **\$144,000 in 60 days** to create a permanent home for rescue, adoption, and community support in the Lehigh Valley.

**JUNE 1 - JULY 31, 2026**

### The Reality Today

Right now, there are more cats in need than we can help.

Every day, we receive calls about:

- Cats found outside
- Kittens born into unsafe conditions
- Families looking for help

And too often, we are forced to say no. Not because we don't care. Not because we don't try.

But because we've reached the limits of what a foster-based rescue can do on its own.

### The Impact - Cats Rescued

 2026	~125
 2027	175
 2028	200

### The Opportunity

We have identified a building in Emmaus, PA that can change everything. This 2,996 sq. ft. space will become a:

#### Adoption Center

A central location to increase adoptions, provide hands-on education for the community, and volunteer opportunities for students and local groups.

#### Retail Space

A local retailer with a large following continuing their mission to help small rescues.

#### Community Center

A place for special adoption events, fundraisers, supporting Trap-Neuter-Return (TNR) efforts, and a small rescue resource.

# YOU CAN HELP BUILD SOMETHING THAT LASTS

We are raising \$144,000 to responsibly fund the first 24 months of building expenses while we continue building long-term operational support.

This funding covers:

- Lease payments
- Utilities and building obligations
- Insurance
- Operational stability during the growth period
